

About the *Star Wars: The Old Republic* pre-order

Due to the high demand for and limited quantities of *Star Wars: The Old Republic*, we're taking pre-orders a little differently:

- 1 You'll fill out and submit the information in this form.
- 2 We'll tell you we saved your information. This will reserve your place in line.
- 3 Then we'll start trying to process your pre-order in the order it was received. We'll email your EA account when we're done.

This means when you click "Place my order," we won't immediately know if you'll get a copy. Your billing method won't be charged until we do know, and that could take up to 48 hours. If you have questions, please see our [pre-order FAQ](#).

About the *Star Wars: The Old Republic* pre-order

This page is only for customers who successfully pre-ordered, but had a problem with some of their billing information, and received an email asking them to correct that information.

If you didn't receive such an email but try to fill out this form anyway, we'll discard your attempted order.

Otherwise, please fill out this form for the exact same SKU and correct whatever we said was wrong in the email, and we'll try to process your order again within 48 hours.

If you have questions, please [see our pre-order FAQ](#).

About the *Star Wars: The Old Republic* pre-order

Due to the high demand for and limited quantities of *Star Wars: The Old Republic*, we're taking pre-orders a little differently:

- 1 You'll fill out and submit the information in this form.
- 2 We'll tell you we saved your information. This will reserve your place in line.
- 3 Then we'll start trying to process your pre-order *in the order it was received*. We'll email your EA account when we're done.

This means when you click "Place my order," we won't immediately know if you'll get a copy. Your billing method won't be charged until we do know, and that could take up to 48 hours. If you have questions, please see our [pre-order FAQ](#).
