Fill out your security questions

We need three-to-five questions and answers to keep your account safe and validate your identity.

[Security questions](#) ►

Fill out your detailed information

We need your contact information to validate your identity if you call Customer Service.

[Detailed information](#) ►

Redeem a retail product registration code

It came in the box or in an email from Origin. You need to redeem this code to tell us you have a copy of the game.

[Enter a code](#) ►

Subscribe (or redeem a game time code)

You can't start playing until you subscribe or redeem a game time code. You can subscribe after you redeem a retail product registration code.

[Subscription](#) ►

Set up your security key (optional)

Your account is most secure when it's protected with a security key. You can set one up after you answer your security questions.

[Security key](#) ►

Ready to play?

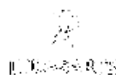

[Download the client](#)

Did you buy a physical copy of the game? Even if you install it, you'll still need to complete all of these steps before you're ready to play.
