Key Features

Define your Star Wars Saga

Choose from one of eight iconic roles and become the hero of your personal *Star Wars* saga — an interactive storyline with cinematic dialogue and full voiceover for all in-game characters.

Choose the Light or Dark Side

Meaningful choices throughout your journey will determine your path down the light or dark side of the Force.

Adventure with Companions

Build or break meaningful relationships with your companions as they join in your journeys and fight at your side.

Engage in Heroic Star Wars Combat

Fight against reactive enemies in dynamic Lightsaber duels, cantina shootouts, and large-scale multi-player battles.

Pilot your Personal Starship

Earn your own ship which is your base of operations as you explore the galaxy and participate in epic space combat.

Discover a Fully-Featured MMO

Join your friends and experience player-vs.-player Warzones, multi-player Flashpoints, multi-group Operations, guilds, auction houses, crafting, mounts, and much more.
